Sub: Resetting of Login Password for the users of SBI CMP MOD Portal.

Off late, it has been observed that there is an increase in requests for resetting of password for the reason – password has been forgotten which caused delay in clearance of payment.

It is needless to mention that the responsibility to remember the password rests solely with the user.

All the users are requested to change the password compulsorily after successful login using default password provided by SBI CMP which is meant for one time use. They are also requested to take all necessary possible measures to remember their password. Necessary guidelines issued from time to time by Government regarding safety of passwords may be strictly followed.

Heads of sub-Offices are requested to bring the contents of this circular to the notice of all the users of SBI CMP MOD Portal.

PCDA has seen.
