Sub: SBI CMP –Mandatory provision of Biometric Authentication regarding

HQrs office introduced Bio-metric authentication for SBI CMP portal in the year 2016. Training on the same was provided by SBI CMP in 21 Nodal Offices identified by this office. Nearby offices (trainee offices) were asked to send their representatives to attend the training. List of Nodal offices and trainee offices are attached (in email) for ready reference. After the training, these representatives were given Bio-metric devices for implementing Bio-metric authentication in their respective offices.

Now, as the training has been provided to almost all the Nodal offices, it has been decided to make the provision of Bio-metric authentication mandatory w.e.f. 01/04/2018. Therefore, it is requested to issue instructions to all the paying offices under your jurisdiction to start using the Bio-metric authentication for uploaders and authorisers of SBI CMP portal. However, if due to some reasons, the same is not implemented in any office, efforts may be made to implement it at the earliest. User manual/Instructions for registering a user for Bio-metric authentication is attached (in email). In case of any query/help in the matter, SBI CMP may be contacted.
