(Under PCDA, Bangalore.)

Sub: Non-concurrence of IFA for works cases  
Ref: DFP to Defence Services 2015.

....

It has been intimated by IFA, HQTC, Bangalore, that in the last three months a number of tender notices have been placed in newspapers by the MES in respect of works where concurrence has been accorded by various CFAs under their inherent powers before 01.05.2015. Such cases where AON was granted and tendering action had not commenced were required to be withdrawn and processed as per powers delegated under DFPDS-2015. This aspect has been clearly indicated in Para 2 of DFPDS 2015 and the action of the MES to process such sanctions is not in order.

You may therefore review AON accorded before 01.05.2015 for which tendering action is concurred after this date and ensure that IFA concurrence has been obtained for the same as required under Para 2 of DFPDS-2015.

Please acknowledge receipt of this circular.
