Retirees in SPARSH

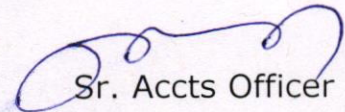

Please find enclosed list of Employees who are due for Retirement in the month of August and September 2022.

It is requested to verify your records and draw up a list of retirees for August and September 2022, call for all the required documents from the employees concerned. After obtaining the same, Order and Service details may be fed into SPARSH Portal and thereafter forward Service books together with supporting documents for audit and approval by our office, within the scheduled time. Please ensure that no case is kept pending beyond the date of retirement as the same would invite adverse criticism from higher authorities.

This may be accorded top priority.
