Ref: HQrs. Letter No. Tulip-NCS Pay Integration / Committee
/ Development dated 22/09/2021.

With reference to the HQrs. Letter cited above, it is informed that HQrs. office has launched TULIP-NCS Integration.

In this connection the following features are incorporated in TULIP:

- i. Pm data gets uploaded automatically and instantly, through API on approval of CMP batch by 'D' Section.
- ii. PM data other than Class I Voucher i.e., MRO Adjustments / TE etc., gets uploaded automatically through API on approval of the said transaction by the respective Section.

In this regard, it is intimated that the sections operating Transfer Entries/MRO should be aware of operating Code Heads wherein in Tulip system does not check Code Heads (Code Head list with description is available in Everyone Access folder in Main Office systems). Once data accessed by NCS Server, sections cannot roll back the bill, henceforth all are requested to be more cautious while submitting the bill to 'D' Section.

This may please be accorded "**TOP PRIORITY**".
