The Office In charge

All Units under PCDA Bangalore

SUB: RECEIPT OF ACKNOWLEDGEMENT FOR THE PAYMENT AUTHORITY.

This is to inform that, the units are not forwarding the acknowledgements for the payment authority (original copy) being received by them, for settlement of medical claims. The payment authority, issued by this office clearly stated to forward the acknowledgements but the units are not adhering to the same. This has been objected by the CGDA team during their course of the Inspection.

Therefore, the units are advised to strictly forward the acknowledgements to this office immediately on receipt of payment authority. In case, where the unit representatives are collecting the payment authorities by hand from the Dak section, the copy of acknowledgement from the unit shall be handed over in person before receiving the payment authority.

This is for your information and immediate necessary action please.
