IMPORTANT CIRCULAR-II
(THROUGH WEBSITE)

Sub : Submission of Self assessment and computation of Income Tax for the Financial Year 2019-20 and Assessment Year 2020-2021.

Attention is invited towards this office Important Circular No. even dated 02.07.2019. As per the Finance Act 2019, Income Tax is required to be deducted under section 192 of the Act from income chargeable under the head 'Salaries' for the financial year 2019-2020 (i.e. Assessment Year 2020-2021) at the certain rates as stipulated under Finance Act 2019. Hence, computation of Income Tax on Self Assessment basis with details of Earnings, deductions and Savings has to be entered in 'TULIP' by October 2019.

Further, it has been observed in past that Income Tax Savings have been accepted provisionally by this office and included in the tax statements on the basis of statements/provisional certificates of the Officers/Individuals. However, in some of the cases proof of IT savings have been submitted either very late by the individual or failed to submit the same even after closure of Financial Year. This has resulted into short deduction of Income Tax and followed by short deduction notice by Income Tax Department. Further, it has also delayed the generation and issue of Form-16.

It is, therefore, enjoined upon all the officers/ Individuals of all the Sections in Main Office and all the Sub Offices to **submit the self assessed computation of Income Tax by 20.10.2019**. Further, while seeking /claiming any exemption from Income Tax in their assessment on provisional basis, **the valid documentary proof must be submitted by 07.02.2020**. The provisional savings, for which the proofs are not submitted within stipulated time, will not be considered while filing IT returns by this office. In the event of failure to submit proof of IT savings, IT due on account of non-submission of proof of savings should be paid by the Officer/individual concerned through challan directly to the IT department and intimated to this office.
